In the Matter of: Nomination for Universal Service Administrative Company Board of Directors,  
CC Docket 96-45 and 97-21

Dear Chairman Pai:

I am pleased to strongly support the nomination of Ms. Julia Legg to the Universal Service Administrative Company (USAC) Board of Directors. I believe that Ms. Legg would be a tremendous asset to the board and offer her expertise in the E-rate program across all facets.

I have had the pleasure of working with Julia over the last fourteen years as the county E-rate contact at the district level. She has always been so eager to help us file and answer any questions no matter the time of the year or how hectic her schedule may be. Because of her involvement as the State E-rate Coordinator for almost 14 years and being able to file both Telecommunications and Internal Connections (C2) at the state consortia this has been a great benefit to all counties in the state of West Virginia. Julia assists many of the other school districts with their local E-rate applications and is a member of the West Virginia (WV) Broadband Enhancement Council, Education Committee. Julia continues to strive to be the best she can by furthering her education which she has completed her graduate degrees in Educational Leadership and Educational Technology Leadership. By obtaining these degrees, she now qualifies to become a Superintendent in the State of West Virginia. Her experiences in K-12 online learning and professional, graduate level courses offer her distinctive insight to the direction that USAC is headed for training and outreach.

Julia will bring to this position high energy, devotion, and an incredible work ethic which are all required of this position. There is no doubt in my mind that you will not find a more qualified and dedicated candidate for this position than Ms. Julia Legg.

Sincerely,

Jeffrey A. Davis  
Chief Financial Officer/Treasurer
